TESTIMONIALS

“The Carlyle Club is the most beautiful and convenient venue, I highly recommend it! But what really made the day special was Sharon, she spent so much time making our day special. Everything was better than I planned or could have ever dreamt. I had so many compliments about the reception, best wedding ever from friends all the way up to my grandparents. Sharon perfected all the details to the point when I walked in I had to hold back tears. I want to relive that night again and plan on going back often!”

- Laura R.

“The first time I spotted the Carlyle Club online I knew it had to be the spot for our wedding reception! The art deco decor went perfectly with our wedding theme! Sharon and Brennan are by far the most helpful, friendly, terrific people!... Everything went so perfectly and smoothly.”

- Kathleen S.

“We could not have been more happy with our experience at the Carlyle Club. The staff went above and beyond to make sure our wedding was amazing. We had several people come up to us to say it was the best wedding that they had been to. Everything about the venue is great from the location, food, staff, décor, and value. The pricing is very transparent and there aren't a bunch of hidden charges as the per person price covers most expenses. The owners, Sharon and Brennan, make sure that all of your needs are met and they really understand how to make sure you have a great time at your own wedding. If you want a wedding in the DC area, then you cannot go wrong with the Carlyle Club.”

- Sam S.

“WOW! Where do I even start? My husband and I could not have asked for a better place to hold our wedding reception. The venue itself is spectacular. All the guests raved about how unique the Carlyle Club is. The food is to die for-all of the guests were saying this was not your typical wedding food. The owners, Sharon and Brendan, are fabulous...Can't say enough good things about our experience!”

- Allyson P.
